## Install the PDR<sup>®</sup> Electronic Library

**Note:** Close or end all other programs that are open or running on your PC during the entire installation

### Start the Installation

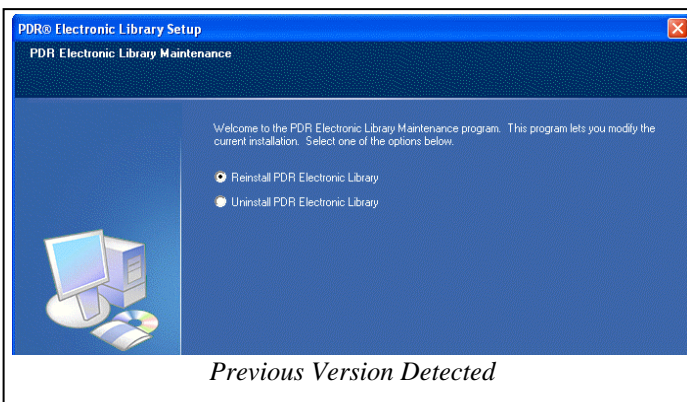

1. Insert the CD in the CD-ROM drive.  
Press **Start** → **Run...** from the Task Bar.  
Type: **D:\SETUP** then click **OK**. (Substitute the appropriate drive letter if D:\ is not your CD-ROM drive).

2. **Update customers:**

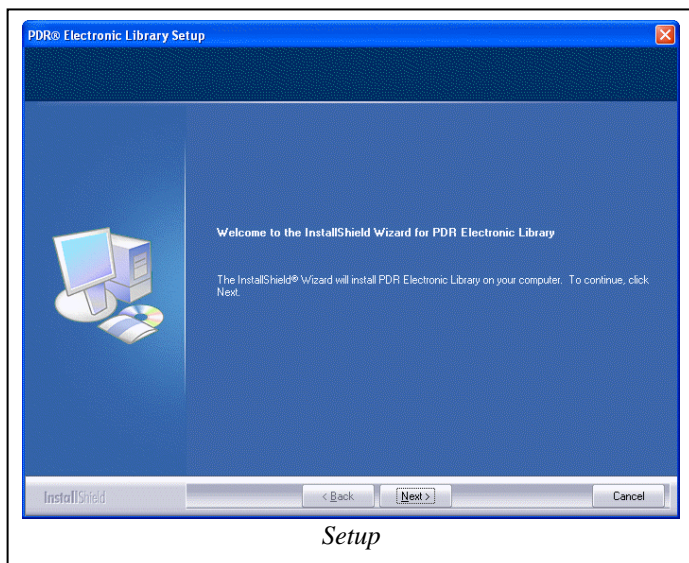

*If you are a new customer, skip to step #3.*

If you are a current subscriber installing an update release, you will see the "Library Maintenance" screen. Select the **Reinstall** option then click the **Next >** button.

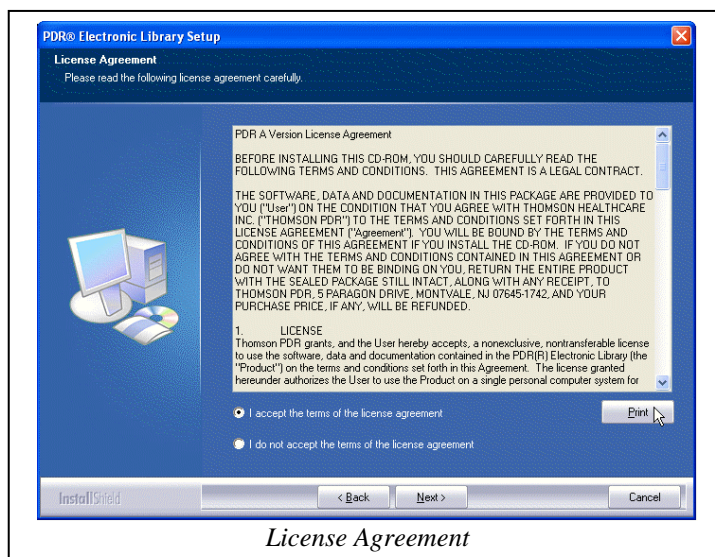

When you see the "Maintenance Complete" screen and the message, "InstallShield Wizard has finished performing maintenance operations on PDR Electronic Library" click the **Finish** button.

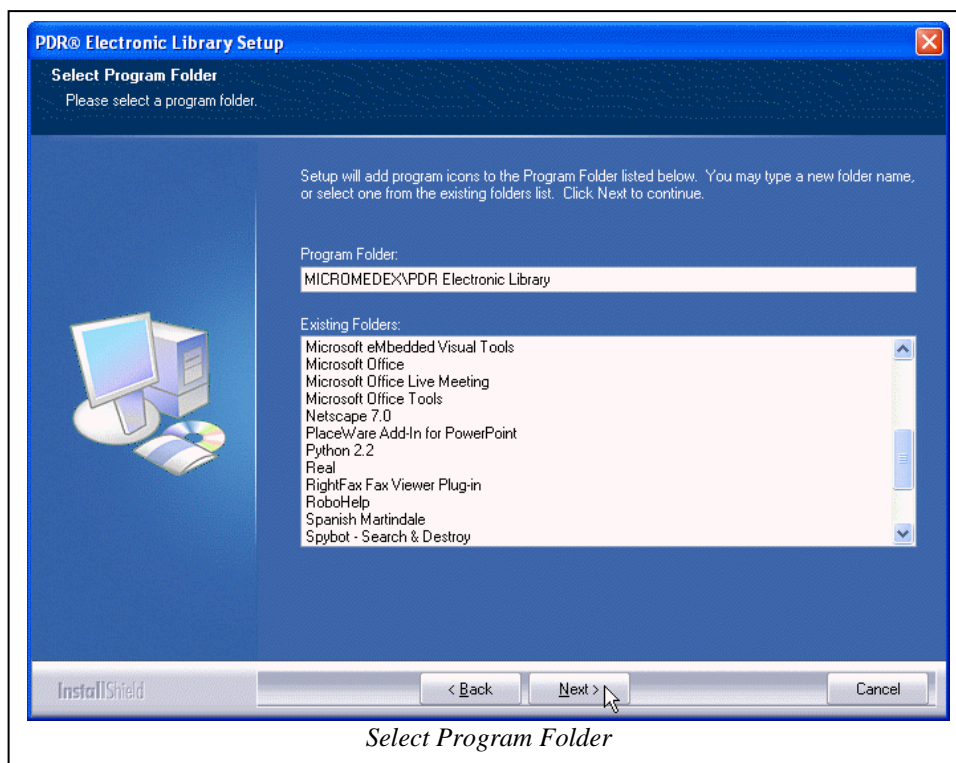

3. **Install the program:** From the *PDR<sup>®</sup> Electronic Library Setup* screen, click **Next >**.

4. *License Agreement*: Read and accept the terms of the *License Agreement*. Click the "I accept the terms of the license agreement" option, then click **Next >** to continue the installation. Click **Print** if you wish to print a copy of the license agreement.

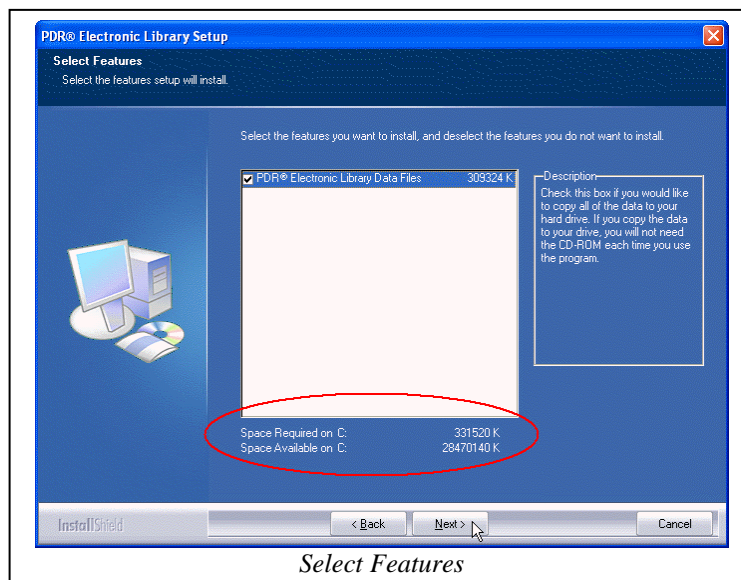

5. *Choose Destination Location* (not pictured): Click **Next >** to install PDR Electronic Library to the default folder or **Browse...** to choose a different destination location.
6. *Select Program Folder*: The PDR<sup>®</sup> Electronic Library is the default program folder for the program. Click **Next >** to accept this name, or type a different name in the Program Folders field.

7. **Select Features:** To install the PDR<sup>®</sup> data to your hard drive:  
Verify that the *PDR<sup>®</sup> Electronic Library Data Files* checkbox is selected (checked) and then click **Next >**. This method will allow you to run the program without the CD-ROM in the CD drive.

If space is not available to install the data to your hard drive, remove the checkmark from the *PDR<sup>®</sup> Electronic Library Data Files* checkbox then click **Next >**. This method will require you to have the PDR<sup>®</sup> CD-ROM in the CD-ROM drive when running the program.

8. **Start Copying Files** (not pictured): Review your current settings to verify your choices. Click **<Back** if changes are necessary, or click **Next >** to continue.
9. When the PDR<sup>®</sup> Electronic Library has completed the installation, you will be presented with the *InstallShield Wizard Complete* message (not pictured). Click **Finish**.

This completes the PDR<sup>®</sup> Electronic Library installation.

## Accessing the PDR<sup>®</sup> Electronic Library

If you accepted the default destination location:
